

# MAISY GRACE

Maisy Grace is a teenage multi instrumentalist hailing from North Cornwall, equally comfortable singing alongside a piano, Stratocaster or her trusty Fender P Bass.

Having been gifted a tiny pink guitar at the age of six, she has been playing and performing for longer than she can remember with a stream of festivals and live gigs under her belt. Her solo material has a dreamy atmospheric feel, combined with a beautifully honest vocal delivery and deeply personal lyrics.

Maisy's debut EP *Sidelines* has received airplay on BBC Introducing Southwest & Tom Robinson's BBC 6 Introducing Mixtape

Maisy's gigs in 2021 included Rock Oyster Festival, Great Estate Festival & St Ives Food Festival along with a number of popular venues around Cornwall .

"Immaculately poised and performed". **Tom Robinson, BBC 6 Introducing**

"As you might expect, I get sent a lot of music from singer-songwriters but rarely do I get sent music imbued with such creativity or such confidence of style. Spell binding". **Listen With Monger**
